Dear Parents:

You are receiving this letter because your child did not meet the passing standard for the one or more of the STAAR EOC (End-of-Course) exams. Testing will be June 19-22, 2017 from 7:30 – 1:30. The testing schedule is as follows:

June 19th – STAAR EOC English I
June 20th – STAAR EOC Algebra I and US History

In an effort to provide your child with additional resources, STAAR EOC tutorials will be offered at Timberview High School from 8-11 am, June 12-15th. It is not mandatory that your child attend tutorials, however it is recommended.
