*Other Considerations:*

- *The Bell Schedule will NOT change on testing days.*
- *Campus Administration will be responsible for testing day logistics. Major concerns will be to ensure:*
  - *BBCTA students are on home campus on testing days*
  - *Appropriate testing environment by relocating classes and rerouting traffic*
  - *Students taking test have an opportunity to eat lunch*
  - *Test administrators receive at least 45-minute planning period and 30-minute lunch*
