**HOG  
MAGIE!!!**

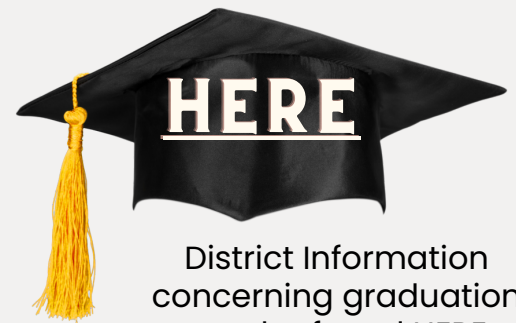

Helping Others Give—HOG Week—has been a tradition at THS since 2007! It's a wonderful time where our students, staff, and surrounding community come together to make positive differences in the lives of special recipients and organizations. This year, Hope Kids, an organization near and dear to our campus, will benefit from funds raised during our 2022-2023 HOG Week. Hope Kids serves around 80 families in the DFW area including kids in our community. Students may participate in the fun during the week of March 24th-31st and will have an opportunity to purchase tickets to participate in specific events starting next week. Additionally, spirit shirts (main HOG shirt, BOTC "Battle of the Classes" shirts, and/or Powder Puff shirts) may be purchased by clicking on the t-shirt image on the left!

Store closes Thursday, March 9th!

## SENIORS... Are you ready?

## AP HUMAN GEOGRAPHY'S FARMER MARKET

**Class  
Highlight....**

Come hungry!

In continuing with an event that began last year, Mrs. Kratz's AP Human Geography's Farmers Market will occur next week. APHG students have researched a particular type of agriculture, have designed brochures, and will share delicious, delectable, dishes with ingredients based on the types of agriculture they were assigned. This is one fun way our teachers go the extra mile to make learning fun, valuable, and applicable here at THS! Thank you, Mrs. Kratz, for your commitment to ensuring delivery of academic content while providing engaging opportunities for students to share their learning!

## Five THS Art Students Advance to State

On Saturday, February 18th, we hosted our annual Visual Art Scholastic Event (VASE) competition here at Timberview. For the first time in 2 years, students were able to participate in person. You could feel the excitement in the school from the kids and their teachers as they experienced seeing each other while competing to earn a spot to go to the next level.

Timberview had a significant number of medalists; 5 of those students are advancing to state this year. To see the pieces they produced, check out page 5.
