Counselor's Appreciation Week

Our counselors work tirelessly to ensure our students have a wonderful experience at THS. They help them stay on track for graduation, participate in desired electives, offer emotional support, give great advice, build positive relationships, and so much more. Instead of waiting for endless accolades to cheer them on, they celebrated this week by doing what they do... organizing events and fun activities to positively engage our students. We are truly thankful for the work they do on our campus. Though many times it is unseen, it is not unnoticed.

SENIORS... Are you ready?

Thought it seems early, graduation is truly just around the corner. THS seniors/parents/guardians may find great information for graduation
